

The East Berks Section invite you to attend

2018 ALTERNATIVE RALLY

At Burnham, near Slough, Buckinghamshire

Friday 28th September – Sunday 30th September

Burnham village is an ancient hamlet on the old Bath Road, which may have been inhabited even before Roman times. Burnham is mentioned in the Domesday Book and in Medieval times had a market and a fair.

In The High Street are numerous 16th and 17th century buildings. A by-road leads to the 13th-century church with its array of brasses and tombs, some of which date from the 16th century. The oldest part of the building is the tower which is believed to date from about 1200. The remains of the 15th-century screen still bear traces of medieval colouring.

The rally is being held at the East Berks section venue of Burnham Cricket Club. The club house is situated approximately 1½ miles north of the A4, between Maidenhead and Slough, on Taplow Common Road.

The club house provides excellent facilities where breakfast and dinner will be available during the rally. Toilets and shower facilities will be accessible at all times.

The rally opens noon on Friday enabling attendees to erect their tents in daylight. A short scenic road run is planned for that afternoon and a full ride out on Saturday. There will be a lunch stop which will be provided on a pre-book basis. Saturday evening will be the usual social gathering in the club house. We aim to clear the site by mid-day on Sunday.

Note: As this is an AJS & Matchless Owners Club event, preference will be for bikes of the marque. However, the organising committee accept that this is not always possible. Additionally, for those of you who are unable to camp on site, there are a number of hotels and B&B's in the area.

Entry fee (including rally badge) passenger, per night:	£6.00
