

East Berks

The cold & damp weather has reduced the motorcycling events but we have managed to get to the Reading Toy Run where about 2000 bikes rode to Dr Barnardo's home in Wokingham. Our Annual Awards Night was a great success with 70 East Berks enjoying a meal and celebrating the success of David Gregory (clubman of the year), Carl Kiddle (rider of year) and Ian Thompson (bike of year). Also we had a special award for Gary Jones who has moved to Wales. We hope that all AMOC members have a Happy & Safe 2017.
