

East Berks

April – May club nights clashed with two bank holidays, so an “interstitial” club night was held on 24th April. Although a bit thin on the ground, we still managed to raise a further £87 towards this year’s charity – Thames Valley Air Ambulance.

Roger, Ralph and Graham competed in the Lands’ End Trial. All finished, with Graham getting a bronze. Quote: “Great event but very tough this year”.

17 riders on a variety of classic and modern motorbikes assembled in Marlow for the Annual FBHVC ride it day. This year we went to Bicester, where there was a gathering of classic cars, bikes and other vehicles. The weather was cool, but not too much and a good time was had by all. Graham’s “new” Matchless had a slight overheating moment but after a short rest in a hostelry, it got him home.

AMC bikes at FBHVC gathering at Bicester

In contrast, only two turned out for the mid week ride on 26th, might have been something to do with the cold weather. A nice run out through the Chilterns, stopping at Waterperry for a mug of tea and walnut loaf.

Future events are Mid-Week Ride (21st June), Annual Bike Night (3rd July) and don’t miss our annual Charity Run (16th July).

More details of our events, to which you are all welcome, are listed each month in “Wot’s On?” in Jampot, on our website (<http://www.amoc-eastberks.co.uk/>), published on the Forum and our Facebook page (<https://www.facebook.com/groups/EastBerksAMOC/>),.
