

East Berks

May 27th saw 6 members from EB visit the Cassington Bike day, Graham, Ralph, Guy and his brother all riding rigid Matchless, Carl on a Triumph and Crashby demonstrating the racing Triumph he uses (blagged another bike).

3 intrepid members, Gary, Ralph and Crashby and bikes rode (in a van) to the IJR in Poland. What a long way but worth the visit to see a country emerging from the oppression of recent years. The countryside is green and so much space to build houses. The weather disappointed on the Sunday so the ride out was severely shortened but replaced by fun and games (tossing the Caber, and archery) and music from a Swedish folk band. Considering that Chris and Anna Rotta planned and ran this event entirely on their own, they did a splendid job.

Rex's mid-week runs continue through the summer months, please see our web site and Face Book for details. Also please enter our annual charity ride The Chiltern Hundreds on the 16th July (tel Graham 07789 938588).

We all hope that Debbie Arnold makes a speedy recovery from her recent operation.
