

East Berks Section March Jampot Notes

Hi all only a small amount to report as the season of cold wet days is still with us.

Our top pair Roger and Chris are still enjoying the sunshine coast of the USA.

Ralph and Carl went along to the Talmag this year Carl finished but Ralph had a few bike issues and retired, I didn't make it due to a tooth abscess but apparently early reports indicate there was considerable queuing at sections of 40 to 30 bikes.

Rex has started sorting the routes for this year's mid-week runs and hopefully will be supported by our members. The annual Chiltern Charity run is to take place on July 15th with the proceeds this year going to prostate cancer so all donations will be greatly received no matter how large or small.

We have had three confirmed entries for our alternative rally which is later in the year so don't hang about in booking early so as not to be disappointed and those that don't do camping there are some hotels and B&B's available which I'm sure if you contact Dave Younger he will be only too happy to assist.

Don't forget if your reading this and have not been to club for a while or you live local and have never been, our club nights are the first and third Monday of every month 8 till late at the Burnham cricket club look forward to seeing you this year.
