

East Berks Section – Jampot Section Notes – August 2018

Apologies to all for the absence of East Berks notes from the July issue which was down to me. Not that our Section members had done anything memorable in the preceding month. Anyway the good weather in the South of England meant winter liners in riding jackets could at last be removed and the 5 hardy Section members who spent a week in June riding to the various UK capital cities could be dry for their mammoth trip. The full story should be appearing in a Jampot later this year but the participants were Roger Ashby, Dave Younger, Gary Jones, Rex Morrey and Richard Collins. The next event was our Annual Bike Night on 2nd July which was well attended despite local traffic problems caused by the A404 being closed due to a big field fire. And by the time you read this we will have held our Annual Charity Run on 15th July. That's all for now,

Ralph Brown.
