

East Berks

11 East Berkers attended the Jampot rally and we all agreed that the Heart of England did a grand job, great weather and runs. Well done HofE.

Our youngest member Joe Tinley has been scrambling an original Matchless G80 and at a recent Mortimer Motocross event was placed 3<sup>rd</sup> against "modified" pre-1960 bikes. It's great to see Joe beating some of the established riders.

Crashby was invited to race at the Goodwood Revival again (how does he do it?), this year riding a 1952 650cc Triumph, I'm sure we will get a full report in the future.

We are busy preparing for the Alternative Rally, let's hope that this great weather continues.

Club nights are still 1<sup>st</sup> and 3<sup>rd</sup> Mondays at the Burnham Cricket Club, if you fancy a drink and good company your most welcome to join us.

Ride safely.
