

East Berks

After our efforts running the Alternative, motorcycle riding has taken a back seat, but 4 intrepid East Berk'ers did attend the Change of Clocks run staged by the Surrey Section, and the 4 riders, all on bikes of the Marque, got there and back without any dramas or mishaps. The trials season has started in earnest with Crashby and Carl seeking some early practice by entering the Guy Fawkes trial near Stroud.

Our awards night is on 3 December when we hope to meet with most of our members, old and new.

Finally, we wish all members of the AJS & Matchless Club a great Christmas and New Year
