

East Berks January 2019 Section Notes

Apology for lack of Notes last month, entirely our fault, sent to the wrong person !

These can be viewed on our Section web site, www.amoc-eastberks.co.uk, under Latest News.

Our Awards Night and Dinner held on the first Club night in December enabled Chairman Roger Ashby to give trophies to Rex Morrey as voted Rider of the Year, Eric Patterson nominated as Clubman of the Year and to Terry Goodall as owning the most coveted bike on display at our Bike Night.

Dave, our esteemed section Notes Editor, may well have been able to include photos of this lucky trio together with our gentlemen members, seems only fair as last year it featured our lady members. (PC and all that !)

The evening enabled folk to chat and laugh about things done during the year and for some, meet again for the first time since last year's Awards Night.

Recent weather has not encouraged much riding, but by the time you read this we would have hopefully completed our New Year Day run to Stoney Stratford.

The dark evenings do, however, enable us to hold interesting talks and discussions at our Club Nights, details of these can be found on our Section web-site and the 'Wot's On' page of ***Jampot***.

Eric Patterson – Clubman of the year; Terry Goodall – Gordon Hill Trophy

Rex Morrey – Rider of The Year

The Gentlemen of The East Berks Section
