

East Berks

A small number of members rode over to the Mortimer Scramble to support Joe Tinley & Mick Baldwin & see Chris Brindle fall off. The MCC Lands End Trial Results confirmed Carl Kiddle got a Gold whilst Graham Lloyd & Andy Head were on Silver & I got a Bronze. The Kempton Park Show on 18th May resulted in a Best Stand in Show award for those involved in the military bike scene including Ian Thompson, John O'Brien & John Tinley. At the beginning of June a large number of members (including me with my WD Matchless) went to Normandy to join in the 75th Anniversary of D-day celebrations & apart from a few minor mechanical issues the bikes survived as did we. On the way to the return ferry a couple of us called in to see the widow of Michel Ballouhey who was a very good friend to all of us in the Section when we attended the Luc Sur Mer Rally en Mass in year's gone by. **Ralph Brown**
