

East Berks

Whilst no Club Nights have taken place since the Lockdown commenced there have been a few informal runs towards the end of May and early in June once the restrictions were eased by Boris and Dominic. Crashby lead the most recent run attended by Carl Kiddle, Richard Collins, John O'Brien, Steve Horn, Ken Joslin, Eric Patterson and myself on a scenic route to Wantage and back. Unfortunately Eric's G80 lost it's sparks on the outskirts of Henley and then John O'B lost us a mile or two later. The RAC were busy that day, it was hot and sunny, so when we returned to Henley a few hours later we found Eric still sat on the side of the road with his bike! Luckily John O'B had earlier turned up and found Eric and promptly rode back to Datchet and returned with his van to recover Eric back to Ascot. Socially distancing taking place at all times by everyone involved. A run the previous weekend to the Windmill at Skirmett involving Ian Thompson, John Tinley, John O'B, Crashby and me was more successful - no breakdowns! The trouble was the pedal cyclists were out in force that day. On the internet side of the house Dave Younger has been emailing members with a photo quiz on a weekly basis but not received much of a response so has now given up. Either that or he has run out of photos!
